

Wellington Primary School and Nursery Anti-Bullying Policy: Pupils

**Policy Date: October 2020
Review Date: October 2022**

1. Introduction

Wellington Primary School and Nursery believes that all pupils are entitled to learn in a safe and supportive environment; this means being free from all forms of bullying behaviour. This policy outlines how instances of bullying are dealt with, including the procedures to prevent occurrences of bullying.

These strategies, such as learning about tolerance and difference as part of the school's curriculum, aim to promote an inclusive, tolerant and supportive ethos at the school.

The Education and Inspections Act 2006 outlines several legal obligations regarding the school's response to bullying. Under section 89, schools must have measures in place to encourage good behaviour and prevent all forms of bullying amongst pupils. These measures are part of the school's Behavioural Policy, which is communicated to all pupils, school staff and parents/carers.

All staff, parents/carers and pupils work together to prevent and reduce any instances of bullying at the school. There is a zero-tolerance policy for bullying at the school.

2. Legal Framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Education and Inspections Act 2006
- Equality Act 2010
- Protection from Harassment Act 1997
- Malicious Communications Act 1988
- Public Order Act 1986
- Communications Act 2003
- Human Rights Act 1998
- Crime and Disorder Act 1998
- Education Act 2011

This policy has been written in accordance with guidance, including, but not limited to:

- DfE (2017) 'Preventing and tackling bullying'
- DfE (2018) 'Sexual violence and sexual harassment between children in schools and colleges'
- DfE (2018) 'Mental health and wellbeing provision in schools'

This policy operates in conjunction with the following school policies:

- Behavioural Policy
- E-Safety Policy
- Child Protection and Safeguarding Policy
- Mobile Phone Policy

3. Definitions

For the purpose of this policy, "bullying" is defined as persistent behaviour by an individual or group with the intention of verbally, physically, or emotionally harming another person or group.

Bullying is generally characterised by:

- Repetition: Incidents are not one-offs; they are frequent and happen over a period of time.
- Intent: The perpetrator(s) means to cause verbal, physical or emotional harm; it is not accidental.
- Targeting: Bullying is generally targeted at a specific individual or group.
- Power imbalance: Whether real or perceived, bullying is generally based on unequal power relations.

Vulnerable pupils are more likely to be the targets of bullying due to the attitudes and behaviours some young people have towards those who are different from themselves.

Vulnerable pupils may include, but are not limited to:

- Pupils with SEND.
- Pupils who are adopted.
- Pupils who are looked after.
- Pupils suffering from a health problem.
- Pupils with caring responsibilities.

4. Types of Bullying

Many kinds of behaviour can be considered bullying and can be related to almost anything.

Being unkind to another pupil because of their appearance, religion, ethnicity, gender, sexual-orientation, home life, culture or SEND are some of the types of bullying that can occur.

Bullying is acted out through the following mediums:

- Verbally
- Physically
- Emotionally
- Online (Cyber)

Racist bullying: Bullying another person based on their ethnic background, religion or skin colour. Racist bullying is a criminal offence under the Crime and Disorder Act 1998 and Public Order Act 1986.

Homophobic bullying: Bullying another person because of their actual or perceived sexual orientation.

Transphobic bullying: Bullying based on another person's gender 'variance' or for not conforming to dominant gender roles.

Sexist bullying: Bullying based on sexist attitudes expressed in a way to demean, intimidate or harm another person because of their sex or gender. Sexist bullying may sometimes be characterised by inappropriate sexual behaviours.

Sexual bullying: Bullying behaviour that has a physical, psychological, verbal or non-verbal sexual dimension/dynamic that subordinates, humiliates or intimidates another person. This is commonly underpinned by sexist attitudes or gender stereotypes.

Prejudicial bullying: Bullying based on prejudices directed towards specific characteristics, e.g. SEND or mental health issues.

Relational bullying: Bullying that primarily constitutes of excluding, isolating and ostracising someone – usually through verbal and emotional bullying.

5. Signs of Bullying

Staff and parents/carers will be alert to the following signs that may indicate a pupil is a victim of bullying:

- Being frightened to travel to or from school
- Asking to be driven to school
- Unwillingness to attend school
- Truancy
- Becoming anxious or lacking confidence
- Saying that they feel ill in the morning
- Decreased involvement in school work
- Returning home with torn clothes or damaged possessions
- Missing possessions
- Asking for extra money or stealing
- Cuts or bruises
- Lack of appetite
- Unwillingness to use the internet or mobile devices
- Becoming agitated when receiving calls or messages
- Lack of eye contact
- Becoming short tempered
- Change in behaviour and attitude at home

Although the signs outlined above may not be due to bullying, they may be due to deeper social, emotional or mental health issues, so are still worth investigating.

Pupils who display a significant number of these signs are approached by a member of staff, to determine the underlying issues, whether they are due to bullying or other issues.

In addition, staff will be aware of the potential factors that may indicate a person is likely to have bullying behaviours, including, but not limited to, the following:

- They have experienced mental health problems, which have led to the pupil becoming aggravated
- They have been the victim of domestic abuse
- Their academic performance has started to fall, which has meant they are stressed

If staff become aware of any factors that could lead to bullying behaviours, they will notify the pupil's class teacher, who will investigate the matter and monitor the situation.

6. Roles and Responsibilities

All Staff Principles:

The school will ensure that prevention is a prominent aspect of its anti-bullying vision. Staff will treat reports of bullying seriously and they will not ignore signs of suspected bullying.

Unpleasantness from one pupil towards another is always challenged and never ignored.

Staff act immediately when they become aware of a bullying incident; this applies to all staff, not solely teaching staff.

Staff always respect pupils' privacy, and information about specific instances of bullying are not discussed with others, unless it is in a setting that the victim has given consent to, or there is a safeguarding concern. If a member of staff believes a pupil is in danger, e.g. of being hurt, they will inform the Designated Safeguarding Lead and Safeguarding Manager immediately.

Follow-up support is given to both the victim and bully in the months following any incidents, to ensure all bullying has stopped.

The Governing Board is responsible for:

Evaluating and reviewing this policy to ensure that it is not discriminatory.

The overall implementation of this policy.

Ensuring that the school adopts a tolerant and open-minded policy towards difference.

Ensuring the school is inclusive.

Analysing any bullying data to establish patterns and reviewing this policy in light of these.

The Headteacher is responsible for:

Reviewing and amending this policy, accounting for new legislation and government guidance, and using staff experience of dealing with bullying incidents in previous years to improve procedures.

Keeping a Bullying Report Form, Appendix 1, of all reported incidents, including which type of bullying has occurred, to allow for proper analysis of the data collected.

Analysing the data in the bullying records to identify trends, so that appropriate measures to tackle them can be implemented.

Arranging appropriate training for staff members.

Acting Head of School is responsible for:

Corresponding and meeting with parents where necessary.

Providing a point of contact for pupils and parents, when more serious bullying incidents occur.

Class Teachers are responsible for:

Being alert to social dynamics in their class.

Being available for pupils who wish to report bullying.

Providing follow-up support after bullying incidents.

Being alert to possible bullying situations, particularly exclusion from friendship groups, and that they inform the Headteacher of such observations.

Refraining from gender stereotyping when dealing with bullying.

Understanding the composition of pupil groups, showing sensitivity to those who have been the victims of bullying.

Reporting any instances of bullying once they have been approached by a pupil for support.

All Staff are responsible for:

Being aware of the anti-bullying policy as part of their induction or annual training.

Being alert to possible bullying situations, particularly exclusion from friendship groups, and that they inform the Class Teacher of such observations.

Being aware of the vulnerable areas of the school and will endeavour to supervise these areas vigilantly.

Being available for pupils who wish to report bullying and inform the Class Teacher of such concerns.

Implementing school class and playground rules consistently.

Parents are responsible for:

Informing their child's Class Teacher if they have any concerns that their child is the victim of bullying or involving in bullying in anyway.

Being watchful of their child's behaviour, attitude and characteristics and informing the relevant staff members of any changes.

Pupils are responsible for:

Informing a member of staff if they witness bullying or are a victim of bullying.
Not making counter-threats if they are victims of bullying.
Walking away from dangerous situations and avoiding involving other pupils in incidents.

7. Statutory Implications

Wellington Primary School and Nursery understands that, under the Equality Act 2010, it has a responsibility to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the act.
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it.
- Foster good relations between people who share a protected characteristic and people who do not share it.

Wellington Primary School understands that, under the Human Rights Act (HRA) 1998, it could have charges brought against it if it allows the rights of children and young people at the school to be breached by failing to take bullying seriously.

The Headteacher, Mr Mamak, will ensure that this policy complies with the HRA; the Headteacher, Mr Mamak, understands that they cannot do this without fully involving their teaching staff.

Although bullying itself is not a criminal offence, some types of harassment, threatening behaviour and/or communications may be considered criminal offences:

- Under the Malicious Communications Act 1988, it is an offence for a person to electronically communicate with another person with the intent to cause distress or anxiety, or in a way which conveys a message which is indecent or grossly offensive, a threat, or contains information which is false and known or believed to be false by the sender.
- The Protection from Harassment Act 1997 makes it an offence to knowingly pursue any course of conduct amounting to harassment.
- Section 127 of the Communications Act 2003 makes it an offence to send, by means of a public electronic communications network, a message, or other matter, that is grossly offensive or of an indecent, obscene or menacing character. It is unlawful to disseminate defamatory information through any media, including internet sites.
- Other forms of bullying which are illegal and should be reported to the police include: violence or assault, theft, repeated harassment or intimidation and hate crimes.

8. Prevention

All types of bullying will be discussed as part of the curriculum. Diversity, difference and respect for others is promoted and celebrated through various lessons. Opportunities to extend friendship groups and interactive skills are provided through participation in special events.

Seating plans will be organised and altered in a way that prevents instances of bullying. Potential victims of bullying are placed in working groups with other pupils who do not abuse or take advantage of others. The school will ensure potential perpetrators are given support as required, so their educational, emotional and social development isn't negatively influenced by outside factors, e.g. mental health issues.

All staff members receive training on identifying and dealing with the different types of bullying. All reported or investigated instances of bullying will be investigated by a member of staff. All members of the school are made aware of this policy and their responsibilities in relation to it.

9. Dealing with allegations or incidents of bullying

All complaints/incidents of bullying must be recorded on the bullying incident form (Appendix 1) and also reported immediately to the Executive Headteacher, Mr Mamak, or the Acting Head of School, Mrs. J. Keeble.

Minor incidents are reported to the victim's class teacher, who investigates the incident, sets appropriate sanctions for the perpetrator and informs the Executive Headteacher, Mr Mamak, or the Acting Head of School, Mrs. J. Keeble of the incident and outcome.

When investigating a bullying incident, the following procedures are adopted:

- The victim, alleged bully and witnesses are all interviewed separately.
- A room is used that allows for privacy during interviews
- If appropriate, the alleged bully, the victim and witnesses, are asked to write down details of the incident; this may need prompting with questions from the member of staff to obtain the full picture
- Members of staff listen carefully to all accounts, being non-confrontational and not attaching blame until the investigation is complete
- All concerned pupils are informed that they must not discuss the interview with other pupils
- Premature assumptions are not made, as it is important not to be judgemental at this stage
- Members of staff ensure that there is no possibility of contact between the pupils being interviewed.
- If a pupil is injured, members of staff take the pupil immediately to first aid for an opinion on the extent of their injuries.

Due to the potential for sexist, transphobic, sexual, etc bullying to be characterised by inappropriate sexual behaviour, staff members involved in dealing with the incident are required to consider whether there is a need for safeguarding processes to be implemented by discussing with the Designated Safeguarding Lead, Mr Mamak, and Safeguarding Manager, Miss Jones.

10. Sanctions for the Perpetrator

If the Headteacher, Mr Mamak, is satisfied that bullying did take place, the pupil will be helped to understand the consequences of their actions and warned that there must be no further incidents.

The Headteacher, Mr Mamak, informs the pupil of the type of sanction to be used in this instance and future sanctions if the bullying continues. Sanctions may include:

- Loss of privileges and playtimes
- Behaviour contracts-class, group or individual
- Exclusion from break times or lunchtimes
- Exclusion from specific games or parts of the school site
- Loss of independence
- Fixed/permanent exclusion
- Change of class

If possible, the Headteacher, Mr Mamak, will attempt reconciliation and will obtain a genuine apology from the bully. This will either be in writing to the victim (and/or witnesses if appropriate),

or face-to-face, but only with the victim's full consent. Discretion is used here; victims will never feel pressured into a face-to-face meeting with the bully.

The perpetrator is made to realise that some pupils do not appreciate the distress they are causing, and that they should change their behaviour.

Parents/Carers are informed of bullying incidents and what action is being taken.

11. Follow up support for the victim and perpetrator

The Class Teacher monitors the pupils involved over the next half-term. One-on-one sessions to discuss how the victim and bully are progressing may be appropriate. If appropriate, follow-up correspondence is arranged with parents/carers one month after the incident.

Pupils who have been bullied are supported in the following ways:

- Being listened to
- Having an immediate opportunity to meet with the Headteacher, Mr Mamak, Deputy Head Teacher(s), Mrs Rees and Mrs Lynch, or a member of staff of their choice
- Being reassured
- Being offered continued support
- Being offered counselling, where appropriate
- Putting strategies in place to support their safety
- Supported with friendship groups or buddy
- Discussing and being involved in the process of solutions and sanctions
- Agreeing strategies for how to get help
- Being offered the option of explaining to the bully how they felt
- Alerting all staff involved with the pupil
- Ensuring they know which adults to approach for support

Pupils who have been bullied will be assessed on a case-by-case basis and the Designated Safeguarding Lead, Mr Mamak, and the Acting Head of School, Mrs. J. Keeble, will, if necessary, refer the victim of bullying to other external relevant services, for example, Herefordshire Children's Services, Early Help Team, CAHMS, School Nurse and CLD Counselling, see Appendix 2.

In cases where the effects of bullying are so severe that the pupil cannot successfully reintegrate back into the school, the Headteacher and Designated Safeguarding Lead, Mr Mamak, will look to transfer the pupil to another mainstream school.

Where a pupil has developed such complex needs that alternative provision is required, the pupil who has been the victim of bullying, their parents/carers, the Headteacher and Designated Safeguarding Lead, will meet to discuss the use of alternative provision.

Pupils who have bullied others are supported in the following ways:

- Agreeing and receiving a consequence for their actions
- Clarity as to the severity of sanctions if there is a re-occurrence
- Being able to discuss what happened
- Being helped to reflect on why they became involved
- Being helped to understand what they did wrong and why they need to change their behaviour
- Appropriate assistance from parents/carers
- Face to face discussion /apology to the victim

- Follow up behaviour support
- Providing older pupil as mentor if possible
- Follow up monitoring of behaviour

12. Bullying outside of school

The school cannot be directly responsible for bullying which takes place off the school premises but a school's failure to address harmful behaviour outside school might be a breach of the school's duty of care. In most cases what happens outside the school will have a direct influence on behaviour inside school.

The Headteacher, Mr Mamak, has a specific statutory power to discipline pupils for poor behaviour outside of the school premises. Section 89(5) of the Education and Inspections Act 2006 gives the Headteacher, Mr Mamak, the power to regulate pupils' conduct when they are not on school premises, and therefore, not under the lawful charge of a school staff member.

Teachers have the power to discipline pupils for misbehaving outside of the school premises. This can relate to any bullying incidents occurring anywhere off the school premises, such as on school or public transport, outside the local shops, or in a town or village centre.

Where bullying outside school is reported to school staff, it is investigated and acted on.

In all cases of misbehaviour or bullying, members of staff can only discipline the pupil on school premises, or elsewhere when the pupil is under the lawful control of the member of staff, e.g. on a school trip.

The Headteacher, Mr Mamak, is responsible for determining whether it is appropriate to notify the Police or Community Support Officer of the action taken against a pupil.

If the misbehaviour could be of a criminal nature, or poses a serious threat to a member of the public, the Police are always informed.

13. Monitoring and review
