Dear Parents and Carers,

I am writing to you today to bring you up to date with the recruitment of the new head teachers.

As you are aware, Mr Mamak is retiring at the end of this month and I would like to take this opportunity to thank him for all he has done at Wellington School and for the way he has improved and moved the school forward to a more secure position during his time here. I also appreciate the way he has guided this school safely through the difficult time of the pandemic.

Whilst the recruitment of a new head teacher has been delayed due to Covid restrictions, we have now been able to complete the process. I can now tell you that Mrs Lynch and Mrs Rees have been appointed as joint head teachers of Leominster Primary School and through our agreement, to Wellington Primary School. Mrs Lynch and Mrs Rees were successful following an appointment process that included national advertising for the post and which attracted a large and strong field of applicants. I congratulate them both and look forward to working with them to ensure further progress and improvement for all our children at Wellington.

Mrs Keeble is continuing in her post at Wellington and she, along with Mrs Lynch, Mrs Rees and myself look forward to restrictions being relaxed further so that we can meet with parents again.

Kind Regards

June Willis
